bloodshed of an industrializing world, see Karen Armstrong, Fields of Blood: Religion and the History of Violence (New York, 2014) On the ubiquity of religious understandings of violent conflict from the earliest Anglo American settlements in North America, see Susan Juster, Sacred Violence in Early America (Philadelphia, 2016) In our view, bringing religion back in to the analysis of

Introductory Remarks His Highness the Aga Khan

Notably, in Fields of Blood: Religion and the History of Violence, she challenged the view that religion has been the cause of many of history's violent

conflicts, and argued convincingly that in many cases, religion has been the pretext An original thinker and activist, her work has resonated well beyond the realm of theologians and philosophers A graduate from the University of Oxford
